Thanks to its extraordinary light, its gorgeous castles and gardens, its famous wines and its gastronomy, your wedding will get the greatest part of our culture

Our prestations

From A to Z : From the abstract wish to the materialized dream

The perfectly fitted stressless wedding

Very discreetly, after having told me how you see the wedding of your dreams, I'll lead you.
In order to make your preparatives easily, preventing you from hours of research and doubts
In order to fully live this organization time without worrying and to make sure everything is as it should be,
In order to actively participate to the " set up " of your Big day and keeping on living until then, delegate all the work and keep the best of its organization.

Thanks to my experience and to passionate service providers, dedicated to their profession, I'll materialized your desires in a professional and transparent way until the Big day. Then I'll take care of the coordination of the different providers of services so that you could enjoy having all your guests and family around you, free minded, and ready to create your memories marked with Happiness and Eternity.

ADVICE

To simplify your preparatives

You have enough time and you can't wait to realize by yourself your wedding. But you fear to forget some details, you don't know where to start nor how to realize your dreamed reception. Moreover, you feel you need a little help to make sure you will think about every details.

Touraine Event' propose you a unique appointment or a package deal of appointments to help you get organized and prepared for your wedding reception.

PARTIAL PRODUCTION OF YOUR WEDDING

Or how to find the best vendors you need.

You want to organize your wedding ceremony and reception even though you have little time. You feel it's important to be the one in charge.

However, the service providers are numerous and you fear to fall into a trap or not to find " the ones " you have dreamed of. Moreover, you wish to get some support to be sure not to have forgotten anything and to ensure a rhythmical pace in your wedding preparation.

Touraine Event' supports you during your preparatives and offers you a list of providers who are strictly selected.

Your Big Day

Presence of a wedding planner during your Big Day.

Or how to fully live your reception

All you'll have to do is to say " I do "

The big day is coming. You wish to fully enjoy a worry-free day as we attend to all the day's details.

Choose to delegate the behind-the-scene preparations for the wedding : Touraine Event' takes care of it and discreetly orchestrates your day according to the defined main theme.

There won't be no surprises, the Reception will be as you have planned it. We will be there and do everything to be sure that you are calm and relaxed as you make your journey down the aisle and celebrate at a picture perfect reception.
